2. Specified Fuel System	\$ 406.21	MATCO
3. Specified Lab Scopes	\$3,652.48	MATCO
4. Specified Multimeter	\$1,424.80	Grainger
5. GM Hand Tools	\$3,530.95	SPX 1
6. GM Diagnostics	\$9,871.00	SPX 2
7. Scan Tool	\$2,099.00	NAPA Auto

The bids were approved on MOTION by Dr. Charles Lehrman. Dr. Charles Lehrman, Dr. Allan Frost, Donna Brizee and Dr. Thad Scholes voted in favor of the MOTION. Chairman LeRoy Craig does not vote unless there is a tie vote.

## PRESIDENT'S REPORT:

1. Mike Mason gave a slide presentation outlining the revised design of the Fine Arts Addition floor plan and truck access road. The Board approved the revised design of the Fine Arts Addition on MOTION by Dr. Thad Scoles. Dr. Charles Lehrman, Dr. Allan Frost, Donna Brizee and Dr. Thad Scholes voted in favor of the MOTION. Chairman LeRoy Craig does not vote unless there is a tie vote.

1. (continued) The Board approved the redesign of the truck access on MOTION by Dr. Allan Frost. Dr. Charles Lehrman, Dr. Allan Frost, Donna Brizee and Dr. Thad Scholes voted in favor of the MOTION. Chairman LeRoy Craig does not vote unless there is a tie vote.

The Board also directed that the secondary drop off point and the renovation of the handicapped parking be included in the project.

2. Mike Mason gave a slide presentation outlining the proposed location of the new Dormitory Housing Commission apartment complex. Of the three sites discussed, the Board approved the six acre site east of campus on MOTION by Donna Brizee. The Board also approved the exchanging the six acre parcel east of campus for the five acre parcel owned by the Dormitory Housing Commission located at the corner of North College and Washington Streets. Both items were approved on MOTION by Donna Brizee. Dr. Charles Lehrman, Dr. Allan Frost, Donna Brizee and Dr. Thad Scholes voted in favor of the MOTION. Chairman LeRoy Craig does not vote unless there is a tie vote.

The site and land exchange were also recommended by the Dormitory Housing Commission at their meeting on October 6, 2010.

- 3. The fiscal year 2010 audit was approved by the Board on MOTION by Dr. Allan Frost. Dr. Charles Lehrman, Dr. Allan Frost, Donna Brizee and Dr. Thad Scholes voted in favor of the MOTION. Chairman LeRoy Craig does not vote unless there is a tie vote.
- 4. Mike Mason reviewed the operational and fiscal reports for Head Start and Early Head Start with the Board. He also noted that Early Head Start evaluators were on site this week.
- 5. Dr. John Miller gave a report to the Board concerning our dual credit program. Dr. Miller noted that we have approximately 2,041 enrollments involving 1,465 high school students. These students account for approximately 386 full time equivalent students which make up about eight percent of the College's total full time equivalent student count.

- 5. (continued) One out of six students attending the College of Southern Idaho is a dual credit student.
- 6. Dr. John Miller introduced outreach center coordinators Dr. Jenney Emery Davidson (Blaine County), Elaine Bryant (Northside) and Kristin Beck (Mini-Cassia) to the Board. The coordinators gave a comprehensive report on their current operations and their strategic plans for the future.
- 7. Graydon Stanley introduced Student Body President Sheree Haggan and Student Senator Alma Jam. Mr. Stanley spoke about the activities they were involved in on campus and with the outreach centers.

ADJOURNMENT was declared at 6:30 p.m.

Re: Automotive Tool Bid

In May of 2009 approximately \$42,000 worth of tools were stolen from out automotive program. The person who stole the tools was caught. A small amount of tools were recovered with some being held for evidence for a period of time. Our insurance company, ICRMP, paid us \$39,295.44 to replace the stolen tools. These funds were deposited in the Plant Facility Fund.

We properly advertised for tools and received bids from seven vendors. The attached sheet shows the bids by each vendor.

Based upon a review of the bids by David Rodriquez and Terry Patterson, I recommend we purchase the specified equipment from the following qualifying low bidders:

1.	<b>Specified Hand Tools</b>	\$3,550.15	MATCO
2.	Specified Fuel System	\$ 406.21	MATCO
3.	Specified Lab Scopes	\$3,652.48	MATCO
4.	Specified Multimeter	\$1,424.80	Grainger
5.	GM Hand Tools	\$3,530.95	SPX 1
6.	GM Diagnostics	\$9,871.00	SPX 2
7.	Scan Tool	\$2,099.00	NAPA Auto Parts

The total for these bids is \$24,534.59. We previously purchased a replacement engine analyzer for \$15,805.73. This totals \$40,340.32 which is very close to the \$39,295.44 we received from our insurance.

Funding for this purchase is from insurance proceeds that were deposited in the Plant Facility Fund.

Re: Fine Arts Addition

We will have a slide show at the Board meeting concerning a change in the building design and the location of the entryway to the back stage. The four attached pictures show the proposed changes.

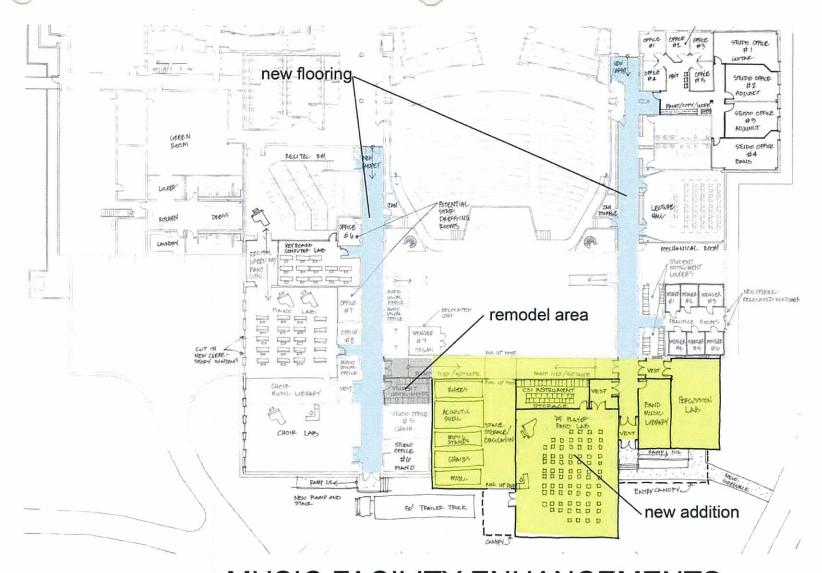

I wanted you to see this prior to the Board meeting so you would have more time to consider it. The first attached picture shows the current design of the new addition that we presented to you several months ago. The second rough sketch is what architects came up with as a way to more efficiently utilize the space. This new design requires us to shift the new south entry to the west. This makes the travel down the corridor to the lobby or large theater shorter and more attractive. It also allows us to utilize the Percussion Room and Band Lab for dressing rooms for performances in the main theater. This can be done without having the actors cross a hallway and could deliver them directly to the corridor back stage. Chris Bragg has reviewed this design with his staff and it is acceptable to them.

The moving of the main entrance to the west also brought up issues concerning the development of a drop off area for this entrance and redesigning the handicapped parking in the main parking lot across from this entrance.

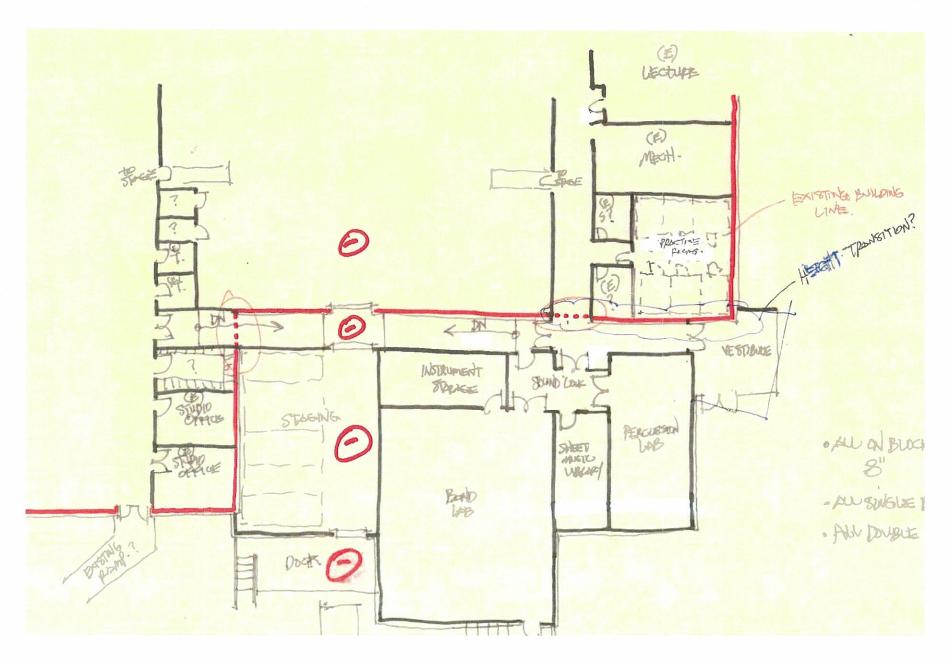

The third picture shows the design for access back stage by trucks that we showed you a few months ago. In staking this out, we became very concerned about what it would look like and the impact it will have on some of our mature landscaping. A 26 foot wide concrete driveway leading to the center of campus between the Meyerhoeffer and Fine Arts Buildings will change the appearance of the south side of campus.

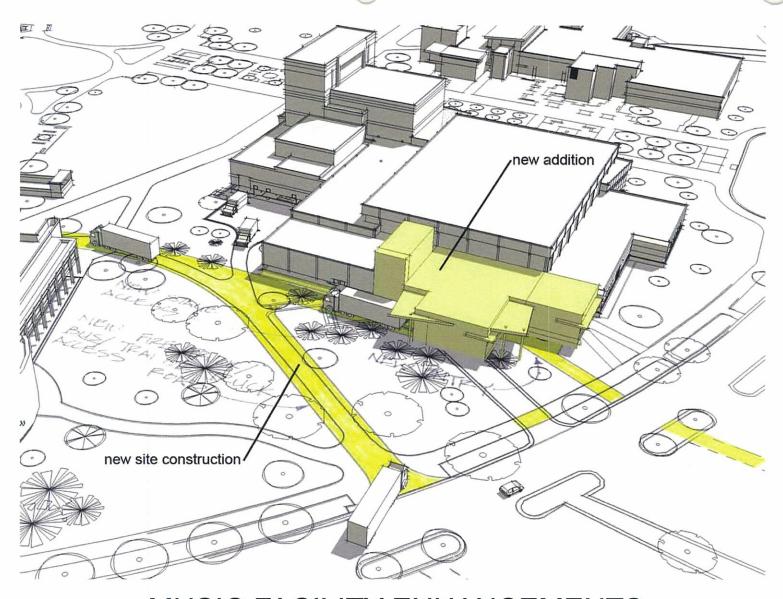

In response to our concerns, the architects came up with a secondary proposal which is contained on the fourth picture. We propose making this access 12 to 14 feet wide and requiring trucks to back into it. This proposal is less disruptive to our landscaping and avoids the 26 foot wide sidewalk. Additionally, the area for the truck approach will not have a curb and could be used for a drop off point similar to what we have for the Meyerhoeffer building.

If you have questions or would like more information prior to the Board meeting, please let me know.

Re: Apartment Project

We will have a full slide show at the Board meeting concerning the location of the new apartment complex. The attached pictures show our recommendation concerning locating the apartments on the six acre Roy Raymond parcel east of campus.

I wanted you to see this prior to the Board meeting so you would have more time to consider it. If we did locate the apartments on the six acres east of campus, I would recommend that we trade the Dormitory Housing Commission the six acres for the five acres that they own where North View Apartments are located. I would then ask the College to lease the 5 acre North View Apartment complex to the Dormitory Housing Commission for \$1 per year. The lease would be for as long as the Dormitory Housing Commission operates North View Apartments or ten years, whichever the College would prefer.

The apartment location on the six acres and the exchange of land was approved by the Dormitory Housing Commission at our last meeting on October 6, 2010.

If you have questions or would like more information prior to the Board meeting, please let me know.

# COLLEGE OF SOUTHERN IDAHO HEAD START/EARLY HEAD START

Administration for Children and Families / U.S. Department of Health and Human Services

Program Design and Management Compliance Framework #3
Program Governance: Duties and Responsibilities

The Governing Body and Policy Council (and/or Policy Committee) are actively engaged in informed decision making, ensuring program integrity and fully participating in the development, planning, and Monitoring of the Head Start and/or Early Head Start program.

# Compliance Indicators:

- 3.1 The Governing Body performs required activities and makes decisions pertaining to program administration and operations.
- 3.2 The Governing Body approves financial management, accounting, and reporting policies.
- 3.3 The Governing Body reviews and approves all major policies of the grantee.
- 3.4 Policy Council (or Policy Committee) approves and submits to the Governing Body decisions about identified program activities.

Interview: Governing Body Members (Governing Body Responsibilities)

How are you involved in making decisions pertaining to program administration and operations? Can you describe some of the activities and decisions the Governing Body makes to ensure effective program operations?

Total meals served for September	6,972
Total snacks served for September	3,320

#### Education

Classroom staff are completing anecdotal information for the first nine weeks of the program year on the COR (Child Observation Record). This establishes a baseline of the children's learning when they enter the program. The information is compiled four times for Early Head Start and three times for Head Start over the course of the program year. Children in Early Head Start are evaluated on 28 items that cover six categories: sense of self, social relations, creative representation, movement, communication and language, and exploration and early logic. Children in Head Start are evaluated in 32 items that cover six categories: initiative; social relations; creative representation; music and movement; language and literacy; and mathematics and science.

### Parent Involvement

October is National Head Start month. Each center will be holding an open house and inviting community members to attend. Each center has conducted elections for Parent Committee and Policy Council Representatives. Policy Council Retreat will be held October 22nd and 23rd in Albion, Idaho. At Retreat, Policy Council Members will be trained on their roles and responsibilities and participate in several interactive literacy activities.

### **Early Head Start**

Twin Falls Early Head Start has established a partnership with CSI Student Teaching Toddler. The program is excited to have six Early Head Start children enrolled in the CSI Toddler Lab. The Early Head Start program is entering into the third round of socializations and looking forward to using the new age appropriate classroom equipment and materials. Early Head Start is also looking forward to getting construction bids out for remodeling at the Jerome Center and new construction at the Twin Falls and Rupert Centers.
